

**Faculty Position
Division of General Surgery
Section of Critical Care/Acute Care Surgery
University of Minnesota**

**Assistant or Associate Professor (1)
Clinical Track**

The Section of Critical Care/Acute Care Surgery at the University of Minnesota is seeking a qualified individual for a full-time clinical track position as an Assistant or Associate Professor, dependent on qualifications. Qualified candidates must have an M.D. degree and be board certified/eligible in surgery and critical care. Caseload will include trauma, surgical critical care, and general surgery cases. Successful candidates will have strong technical skills in general surgery.

Responsibilities include:

- (1) participating as the attending staff in one or more of the intensive care units associated with the Division
- (2) participation as a surgeon or intensivist at one of our partner facilities
- (3) teaching of medical students, residents, and fellows
- (4) full participation in departmental activities. This position will remain open until filled.

To apply, send a curriculum vitae/bibliography, letter of interest, and the names of three references to:
